

REMARKS/ARGUMENTS

Applicant notes that claims 17-21 were allowed in the Final Office Action and claim 12 was objected to.

Applicant has cancelled the rejected claims 1-11 and 13-15. Applicant has amended objected to claim 12 to include the limitations of claims 1, 9, 10 and 11. Allowed claim 21 was amended to correct an antecedent basis problem.

In view of the above, each of the presently pending claims in this application is believed to be in immediate condition for allowance. Accordingly, the Examiner is respectfully requested to withdraw the outstanding rejection of the claims and to pass this application to issue.

If, however, for any reason the Examiner does not believe that such action can be taken at this time, it is respectfully requested that he/she telephone applicant's attorney at (908) 654-5000 in order to overcome any additional objections which he might have.

If there are any additional charges in connection with this requested amendment, the Examiner is authorized to charge Deposit Account No. 12-1095 therefor.
